Good Afternoon,

Regarding the consultation on the area application for the Weldon Neighbourhood Plan, Orbit Group owns land to the rear of 112-132 Corby Road as shown on the attached plan. The site benefits from planning permission for residential development and Orbit currently has a planning application lodged with CBC to finalise development detail.

Although it is likely that the development will be completed prior to adoption of the Neighbourhood Plan, any plan proposals in the meantime should account for this site within any development land allocations.

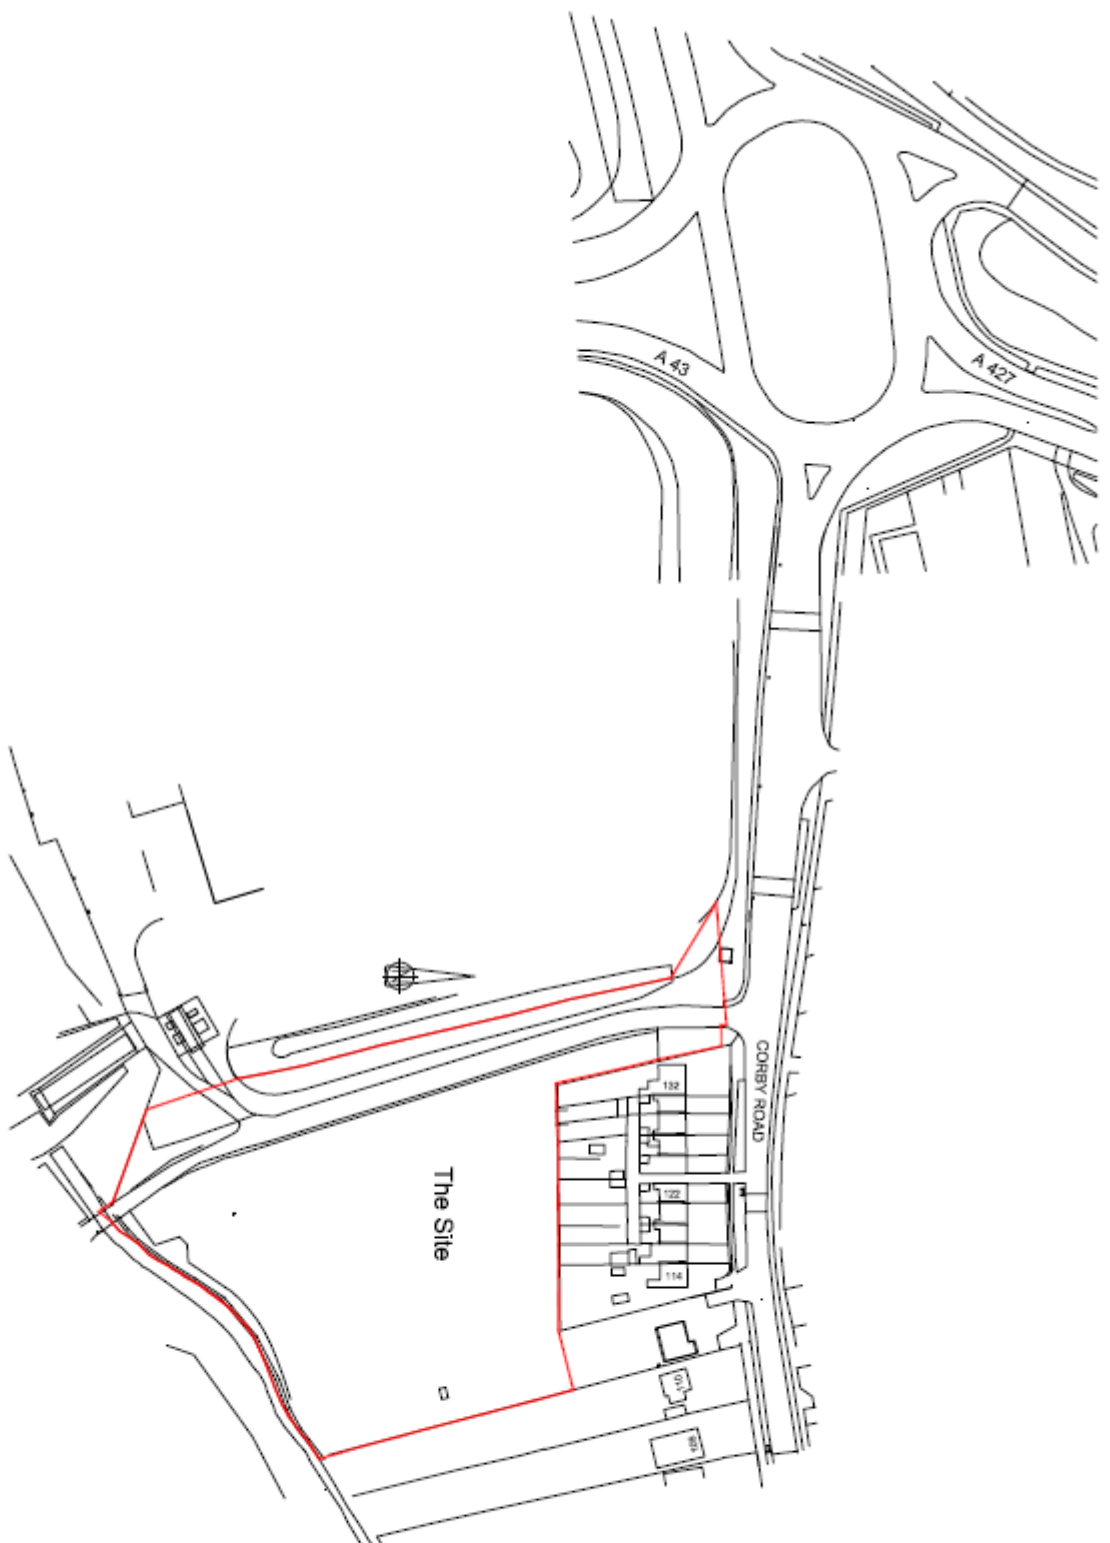

Kind Regards,

Aimee
