Local Government Reform Northamptonshire Submission - Papers Amendments

After release of the papers for the 8 Full Council meetings across Northamptonshire a minor number of typos have been identified in the submission documents. Please see below:-

Paper	Error	Amendment made
ORS Consultation Report	<p>P34; para 3.27 – The sentence below was amended:</p> <p>Overall, three-quarters of residents agreed with the proposal (North 70% and West 77%) (see Figure 10). However, only 37<u>44</u>% of individual open questionnaire respondents agreed, while 59<u>50</u>% disagreed.</p>	<p>Report updated, though does not change substance, thus:</p> <p>“Overall, three-quarters of residents agreed with the proposal (North 70% and West 77%) (see Figure 10). However, only <u>44</u>% of individual open questionnaire respondents agreed, while <u>50</u>% disagreed.”</p>
Proposed Submission	<p>P10; para 4.8.1 of the submission doc do not match p12 of the PwC report. The total is the same, but split and date differ.</p> <p>PwC report : ‘Initial modelling suggests that this could deliver an annual saving of £6 million for the West unitary area, and £6.1 million for the North area, totalling £12.1 million of annual savings arising through reorganisation, fully realised from the year 2021/22 onwards.’</p> <p>Submission proposal: ‘Initial modelling suggests that this could deliver an annual saving of £5.8 million for the West unitary area, and £6.3 million for the North area, totalling £12.1 million of annual savings arising through reorganisation from the year 2020/21 onwards.’</p>	<p>Change to Proposed Submission thus: “4.8.1 Initial modelling suggests that this could deliver an annual saving of £5.8 £6 million for the West unitary area, and £6.3 £6.1 million for the North area, totalling £12.1 million of annual savings arising through reorganisation from the year 2020/21 fully realised from the year 2021/22 onwards.</p>
