The way we work...

We aim to make the activities that we offer wide ranging and exciting. The children and young people will be asked what activities that they would like to do and we will then make every effort do that activity. This way we can change activities easily if they get bored and keep them entertained. Some activities will be planned in advance, such as trampolining and archery. If a child doesn't want to take part in a particular activity then we will do our best to find something that they want to take part in.

If you have any comments or complaints please ask a member of staff for a form to register your comments or complaint.

If you would like to see any copies of our procedures or policies then please ask a member of staff who will be happy to show you.

Is there any other information that would help us or your child during their time on the holiday scheme?
