Note from Inspector**Postponement of Hearings**

The Hearings were programmed to commence on Tues 9 June 2020. However due to the current Government advice regarding the Coronavirus, they have had to be postponed.

I will monitor the situation and work closely with the Council to re arrange the event. As this remains a fluid situation, I am unable at this time to give an indication of when this could be, but clearly the intention is to progress the Examination as soon as practically possible.

Once the dates for the hearing sessions have been re arranged, I will issue my Matters, Issues and Questions (MIQ's) and all those entitled to take part in the Examination will be notified of the deadlines for both hearing statements and for registering to take part in the sessions. The Examination webpage will be regularly updated with any further news.

My Programme Officer Mr Kemp would be happy to answer any queries or give assistance in the interim.
